Sold The Cat.

We have sold the Cat office to E. P. Worcester and A. Case, who take charge this week. We part from our many readers with regret, but are well satisfied and the paper has had a good home. The paper is to be enlarged and improved, thus making it of more advantage to Thomas county and Colby. Our good will is hourly extended to the new proprietors. Colby is destined to grow and improve its every day and in a few years Thomas will be one of the best of western counties.

E. P. Worcester and A. Case have purchased the THOMAS CAT, taking possession Monday. The paper will be doubled in size after next week, making it a even column quartet. An entire new outfit is now on the way from Kansas City, and the new proprietors will endeavor to make it the largest and best paper in western Kansas. Mr. E. P. Worcester, it will be remembered, was one of the first proprietors of the Cat, and will return and personally stroke the Cat once again. He is well and favorably known through Kansas as a spry writer and a straightforward newspaper man.

Notice.

All legal business started prior to the change in proprietorship of the Cat will be completed by the new firm, and affidavit made. Advertising account since September 1st is due the new firm.
